Markdown - short intro

- www.markdownguide.org

- en.wikipedia.org/wiki/Markdown

- preview

    - windows
        - ctrl + shift + v
    - mac
        - cmd + shift +v

headers

level 1

level 2

level 3

level 4

level 5

level 6

text formatting

Some text *this is in italic* and **this is bold** `code`
Two spaces at the end of line makes line break

lists

- item 1
- item 2
    - subitem

numbered list

1. item
2. item

blockquoting

> this is first level
> more text
>> this is the nested quote
>>> nested of nested

> # function(a,b)
>
> description
>> parameters
>>> - a=value
>>> - b=value
>>
>> returns
>>> - sum on a and b
